

ISLAM IN AMERICA

- ✓ There are estimated to be between **2.35 to 7 million Muslims in America**, and at current rates as many as **1.1 million new Muslim immigrants are projected to settle in the U.S. by 2010**. There are nearly **8,500 Islamic centers, organizations, schools, and businesses** in the U.S.
- ✓ **Wahhabism**, the official state religion of Saudi Arabia, **advocates militancy and spread of Islam** even through the use of the sword. **Saudi Arabia controls 70-80% of mosques in the U.S. with their own homegrown imams.**
- ✓ **Jihad, or holy war, is being preached in mosques in American cities throughout the U.S.** Quotes from fundamentalist Muslims in the U.S. captured on video from Steven Emerson's documentary, *Terrorists among us: Jihad in America* include:
 - Sheik Abdul Wali Zindani: "Allah, the most high and exalted, ordered us to **kill the idol worshippers, the enemies of Allah**. Fight the idol worshippers wherever you find them. Pursue them and finish them off"
 - Siddiq Ali: "**The sword is to be absolutely used and implemented**. This is as a principle."
 - Sami Dhafar: "**We want the small Muslim community to serve as a dagger in the center of this civilization.**"
- ✓ Several Muslim organizations in the U.S. seen as mainstream groups actually have **ties to terrorist groups** and **embody radical Islamic ideologies**, including **CAIR, ISNA, MPAC, MAS, and ICNA**.
- ✓ In America's prisons: **Wahhabi Muslims serve as chaplains throughout America's prison system**, having been trained and certified by ISNA and the GSISS, both of which are under federal investigation.
- ✓ In America's schools: Muslims have thousands of their own schools in the U.S., including the **first public school to open in 2007 in New York**. Islam is also advancing in American non-Muslim educational systems, from universities to grammar schools. In 2003, a San Francisco-area school district had seventh-grade students **act out being Muslims for two weeks, including reciting Muslim prayers and verses of the Qur'an in class and fasting to simulate Ramadan**. **John Walker Lindh**, who joined the Taliban to fight Americans in 2001, **was a product of San Francisco public schools**.
- ✓ In America's government: Virtually all **Muslims in America are opposed to Israel and U.S. foreign policy**, and are **working hard to obtain positions in public and political life**. The first Muslim elected to Congress, **U.S. Rep. Keith Ellison, D-Minn.**, received support from the **executive director of Hamas-tied CAIR**. Ellison swore in on a Koran.
- ✓ In the FBI: The FBI has been **plagued with loyalty and security concerns** since hiring numerous Muslims to translate al-Qaeda and other terrorist wiretaps. Some of these Muslims in the Washington office celebrated after the 9/11 terrorist attacks.
- ✓ In America's media: Muslim television stations **Bridges TV and Salaam TV** are available throughout the U.S. and Canada. Bridges TV has an **emphasis on religious programs, with extremist rhetoric** broadcast to millions.
